Summer Picnic/Pot Luck

Location: Jackie Colestock's (1335 Old Mountain Road, Pasadena, 21122)
Sunday, August 19 - 2 PM

Put it on your calendar now. Back by popular demand is the ACC summer picnic. This is a chance to get together, relax, play, eat. Bring your camera. Thanks to Jackie Colestock for volunteering to host.

Club Member Workshops & Meetup Groups

If you are looking for something to do this summer, several club members run workshops and meetup groups.

Stephen Rosenbach judged our abstract contest last year and subsequently joined our club. He runs workshops to Annapolis and to New York City. You can find more information on his website <http://www.steverosenbach.com/photo-tours/>.

David Blecman runs several digital camera classes and a number of workshops with models. David and Reb Orrell are even running a cruise workshop next February. You can find more details at his website <http://posneg.com/>.

Chip Bulgin organizes meetups at his studio in Baltimore for the Baltimore Beauty, Fashion, Boudoir Meetup Group. So if you are interested in fashion photography, makeup artists, model, glamour, boudoir, studio, pin-up, beauty, digital photography, and retouching; then this meetup group might be for you. Trip ran a field trip to his studio for the club last year and the previous year he ran a great program on beauty photography for the club. You can find out more information at <http://www.meetup.com/Baltimore-Beauty-Fashion-Boudoir-Meetup/>.

Reb Orrell organizes meetups at his house and field trips all over the local area for the Baltimore High Dynamic Rangers (HDR) Photography meetup group. If you are interested in High Dynamic Range Photography, Photomatix Software, Topaz Filters, and nik software plugins; then you might like this meetup group. You can find more information at <http://www.meetup.com/Baltimore-High-Dynamic-Rangers/>.

*If you run workshops or meetup groups, send an email to newsletter@arundelcameraclub.org so that we can publish in future newsletter.

We received an invitation from the Camera Club of Richmond for an upcoming workshop titled "Craft & Vision in Digital Photography" with Harold Davis.

When: Saturday, September 15, 2012, 10AM-4PM

Where: The Historic Byrd Theatre
2908 West Cary Street
Richmond, VA

Tuition: \$60 (Box lunch also available at additional nominal cost)

For more information and registration go to <http://www.meetup.com/Harold-Davis/events/68854842/>.

July Field Trip - Tuckahoe Steam and Gas Annual Show

Our next field trip is July 7th to the annual [Tuckahoe Steam and Gas Annual Show](http://www.arundelcameraclub.org). This is one of our annual club events. The show is located at 11472 Ocean Gateway, Easton, Maryland, 21601. There is no need to car pool, we will just meet at the show. Although we are going as a club on July 7th there are evens all week. After the Grand Parade of All Old Equipment we may go over to Easton for dinner. When it gets darker, if we are lucky, some of the tractors will start belching flames into the night. If you are going to attend, send an email to field-trips@arundelcameraclub.org.

Random Things to do this Summer

Bob Miller

Kenilworth Park & Aquatic Gardens

It's the right time of year to go to the gardens and photograph ponds full of beautiful Lotus blossoms and water lilies. You can find more information at their website <http://www.nps.gov/keaq/index.htm>.

Longwood Gardens

Longwood Gardens are beautiful any time of year. Right now they are having a fantastic showing of lighted art in the gardens. Right now you can find fields full of thousands of fiber optic lights, shifting color, and reflecting in ponds. You can find more information at their website <http://www.longwoodgardens.org/>.

Fourth of July Fireworks and Celebrations

Remember that we consider any photographs of Independence Day fireworks and celebrations to be eligible for the end of year club events competition. So get out your tripod and cable release and go find some fireworks.

Brookside Gardens

During the summer Brookside Gardens not only have beautiful flowers but they open up a butterfly house. You can find more information at their website <http://www.montgomeryparks.org/brookside/>.

Club Information

Meeting Nights

The Arundel Camera Club meets every Wednesday evening when school is in session and weather permitting. We only meet if the School is open. Check for school closings at the following link <http://www.aacps.org/>.

We meet at 7:30 p.m. and usually end before 10:00 p.m. Meetings are open to the public, but only dues paying members may enter competitions.

Meetings alternate with programs of informative speakers and photographic competitions. The purpose of programs are to bring in highly talented photographers to show us how to improve our photography.

Competitions give us a chance to show off our work and to get constructive critiques from our judges. Ribbons are awarded for first through fourth place and honorable mention. We have competitions for slides, color prints, monochrome prints, and digital images. Competitions are held for both novice and unlimited club members. Awards are awarded at the end of year banquet.

The club also has monthly photographic field trips to locations of interest. This is a chance to go out and practice what we learned during programs, a time to socialize with other club members, and a chance to do a little photographic exploration.

Membership Rates

Students.....	\$12.50
Individual	\$25.00
Family	\$25.00 first member \$12.50 for each additional family member

Directions

We meet in room 114 at the Severna Park High School which is located at 60 Robinson Road, Severna Park, MD 21146-2899. The best place to park is along the back right of the high school. We place signs throughout the school pointing the way to our meeting room.
