

Lens Line Newsletter

A young girl with blonde hair, wearing a blue patterned dress and a white sun hat, is sitting on a wooden dock. She is barefoot and has just splashed her right foot into the water, creating a large splash. The dock is made of weathered wooden planks and is supported by several wooden posts. The water is calm and reflects the surrounding greenery. In the background, there are lush green trees and bushes along the shoreline. The overall scene is bright and sunny, suggesting a warm day.

Announcements

28 Aug - Summer Picnic

On August 28 come join us for a lovely afternoon around the grill and by the pool, hosted by Bob and Jackie Colestock. The club will be enjoying our annual Summer Pot Luck Picnic. The pool will be open, take a dip if you like. Good company, Good food, good fun. The club provides the hot dogs and hamburgers, and we have plenty of paper goods. Surprise us with your summer delights. Friends and family are welcome

When: Sunday, August 28. 12pm - 6pm.

Where: 1335 Old Mountain Rd. Pasadena, MD 21122

Direction: [Map](#)

Please RSVP to [Jackie Colestock](#): with the number of people in your party. Please consider bringing a side dish, snack, or dessert. Bring chairs and swim suits. Save the date on your calendar.

Don't forget your cameras. Hope to see you there.

Louis Sapienza

Congratulations to Louis Sapienza who placed 1st Place in the Kent Island Federation of Arts 20th Annual Photography Show amateur Nature category with the above image "Blue Bellied Roller."

2016-2017 Themes

Humor/Whimsical - This theme will be challenging. You must take photos that evoke a sense of humor or whimsy, both of which are very subjective. Humor is defined as the quality of being amusing or comic, especially as expressed in literature or speech. Whimsical is defined as playfully quaint or fanciful, especially in an appealing and amusing way. Whimsical can also be defined as acting or behaving in a capricious manner. Click here for examples of [Humorous Photographs](#) and [Whimsical Photographs](#). Take them for what they are worth but remember the final interpretation will be by the judge.

From the Kitchen (not food) - We all have a kitchen. This theme can be basically any photo taken in a kitchen or a photo of anything that can be found in a kitchen. For example people cooking or washing dishes or seated around the kitchen table enjoying a meal. Although the image may include food, it should complement the scene and not be the primary subject of the photograph. [Click here for examples](#).

***Scapes** - Photographs of land, water, groups of buildings, clouds or a combination of these. The image should not be a close up. An image of a single tree or flower is not a landscape but a photograph of a forest or field of flowers is. A landscape photograph may include people, man made objects and wildlife but these should complement the scene and not be the primary subject of the photograph. Also includes cityscapes and seascapes. Click here for examples of [Landscapes](#), [Cityscapes](#), and [Seascapes](#).

Decay - Decay can be defined as to decline from a sound or prosperous condition, to fall into ruin, or to decline in health, strength, or vigor. Your challenge is to create images that document or convey the sense of decay. [Click here to find examples of images of decay here](#).

Club Information

Meeting Nights

The Arundel Camera Club meets every Wednesday evening when school is in session and weather permitting. We only meet if the School is open. Check for school closings at the following link <http://www.aacps.org/>.

We meet at 7:30 p.m. and usually end before 9:30 p.m. Meetings are open to the public, but only dues paying members may enter competitions.

Meetings alternate with programs of informative speakers and photographic competitions. The purpose of programs are to bring in highly talented photographers to show us how to improve our photography.

Competitions give us a chance to show off our work and to get constructive critiques from our judges. Ribbons are awarded for first through fourth place and honorable mention. We have competitions for slides, color prints, monochrome prints, and digital images. Competitions are held for both novice and unlimited club members. Awards are awarded at the end of year banquet.

The club also has monthly photographic field trips to locations of interest. This is a chance to go out and practice what we learned during programs, a time to socialize with other club members, and a chance to do a little photographic exploration.

Membership Rates

Students.....	\$17.50
Individual.....	\$35.00
Family.....	\$15.00 each additional family member

Directions

We meet in room 114 at the Severna Park High School which is located at 60 Robinson Road, Severna Park, MD 21146-2899. The best place to park is in front of the school. We have to enter and leave by the front doors. We must put the room back the way we found it and vacate the building by 9:30 PM.
