A scenic photograph of a log cabin with a stone chimney, situated in a lush green field with a small stream in the foreground and rolling hills in the background. The cabin is built of horizontal log sections and has a steep, dark roof. The stone chimney is tall and textured. The foreground is dominated by tall, vibrant green grass. A small stream flows through the middle ground, surrounded by rocks and more greenery. In the background, there are rolling green hills covered in dense trees under a blue sky with scattered white clouds.

Announcements

Field Trips

Michelle Barkdoll, our new field trip chairman, is working hard at scheduling our field trips for the year. If you have anymore suggestions, please send an email to Michelle at fieldtrips@arundelcameraclub.org.

Photo Walks

During the past couple of years, in place of several meetings, we have gone on photo walks. We have been to Baltimore and to Annapolis. These events were popular and provided an opportunity to practice and learn. Send your suggestions in for places to go photo walk this year. Please send them an email at programs@arundelcameraclub.org.

Programs

You will notice all of the program nights have yet to be filled in. We are looking for speakers or club members to lead programs on these nights. Mike Thomas will be working hard to find great programs and speakers. If you would like to volunteer to give a program or have any program suggestions, please send them an email at programs@arundelcameraclub.org.

Contest Judges

Bob Webber and Mike Thomas will have big shoes to fill after Chris Van Valkenburgh did such a great job finding judges the last couple of years. We are trying not to reuse any judges from the past two years. Is you have any suggestions email contests@arundelcameraclub.org.

June 29 - July 1

155th Gettysburg - A Living History Event

Join us at the 155th Gettysburg, "A Living History" event at the historic David Stewart Farm. This event is reenactor coordinated with all new historical presentations.

During this three-day event you can:

- Meet the generals from both armies.
- Visit the living history camps.
- Hear civilians tell of their experiences - watch out for soldiers searching for food!
- See the artillery, infantry and cavalry.
- Check out the large tent of activities for kids of ALL ages.
- Watch medical demonstrations.
- Join us for a Saturday evening camp dance.
- Attend education and preservation programs in the speakers tent.
- Visit our Sutlers, food vendors and have your tintype photo taken by the one and only John Milliker!
- Spectator admission fee is just \$20 per carload and payable at the entrance.

ALL proceeds from this event will be donated to battlefield preservation. Backpacks and coolers are prohibited. All persons entering the event are subject to search for the safety of us all. For further Information: www.cwhi.org.

Michelle Barkdoll will be there all 3 days - if club members get in contact with me prior to coming - I will be able to get them to different photo advantages during the day along with the battle. Email Michelle at fieldtrips@arundelcameraclub.org.

2018-2019 Themes

High-Key/Low-Key - A high-key image mostly consists of highlights and midtones, is generally bright and even, and delicately toned, often with pastel and/or white shades. Click here for examples of [High-Key](#). A low-key image mostly consists of predominantly dark or monotone colors. Click here for examples of [Low-Key](#).

Street Photography - Street photography is photography that features the human condition within public places. Framing and timing can be key aspects of the craft with the aim of some street photography being to create images at a decisive or poignant moment. Street photography can focus on emotions displayed, thereby also recording people's history from an emotional point of view. Click here for examples of [Street Photography](#).

Triptych - Photographers use triptychs to arrange three of their images within one frame with clear borders between them, or by using a separate frame for each photo and mounting them on the wall next to each other. Triptych photography might involve taking one picture and splitting it into three different parts or shooting three separate photos that are related. The artistic works compliment each other with similar subjects or a relatable message. Click here for examples of [Triptych Photography](#).

Flowers - Photographs of flowers buds, blooms, or fields of flowers; including single flowers, bunches of flowers, macros of flowers, arrangements or bouquets of flowers; found in the wild, in nurseries, gardens, in your house. Click here for examples of [Flower Photography](#).

Club Information

Meeting Nights

The Arundel Camera Club meets every Wednesday evening when school is in session and weather permitting. We only meet if the School is open. Check for school closings at the following link <http://www.aacps.org/>.

We meet at 7:00 p.m. and usually end before 9:00 p.m. The school doors are locked. We man the doors until 7:00 p.m.. It is important to be there by then to gain entrance to the school. Meetings are open to the public, but only dues paying members may enter competitions.

Meetings alternate with programs of informative speakers and photographic competitions. Competitions give us a chance to show off our work and to get constructive critiques from our judges. Ribbons are awarded for first through fourth place and honorable mention. We have competitions for slides, color prints, monochrome prints, and digital images. Competitions are held for both novice and unlimited club members. Awards are awarded at the end of year banquet.

The club also has monthly photographic field trips to locations of interest. This is a chance to go out and practice what we learned during programs, a time to socialize with other club members, and a chance to do a little photographic exploration.

Membership Rates

Students.....	\$17.50
Individual	\$35.00
Family	\$15.00 each additional family member

Directions

We meet at the Severna Park High School which is located at 60 Robinson Road, Severna Park, MD 21146-2899. We are now meeting in the the new building in room 156 on the first floor. You can park in the teacher's lot on the left of the school and come in the side door. We must put the room back the way we found it and vacate the building by 9:00 PM.
