Photo Walks

During the past couple of years, in place of several meetings, we have gone on photo walks. We have been to Baltimore and to Annapolis. These events were popular and provided an opportunity to practice and learn. Send your suggestions in for places to go photo walk this year. Please send them an email at programs@arundelcameraclub.org.

Programs

You will notice all of the program nights have yet to be filled in. We are looking for speakers or club members to lead programs on these nights. Mike Thomas will be working hard to find great programs and speakers. If you would like to volunteer to give a program or have any program suggestions, please send them an email at programs@arundelcameraclub.org.

Contest Judges

Bob Webber and Mike Thomas will have big shoes to fill after Chris Van Valkenburgh did such a great job finding judges the last couple of years. We are trying not to reuse any judges from the past two years. Is you have any suggestions email contests@arundelcameraclub.org.

Club Information

Meeting Nights

The Arundel Camera Club meets every Wednesday evening when school is in session and weather permitting. We only meet if the School is open. Check for school closings at the following link <http://www.aacps.org/>.

We meet at 7:00 p.m. and usually end before 9:00 p.m. The school doors are locked. We man the doors until 7:00 p.m.. It is important to be there by then to gain entrance to the school. Meetings are open to the public, but only dues paying members may enter competitions.

Meetings alternate with programs of informative speakers and photographic competitions. Competitions give us a chance to show off our work and to get constructive critiques from our judges. Ribbons are awarded for first through fourth place and honorable mention. We have competitions for slides, color prints, monochrome prints, and digital images. Competitions are held for both novice and unlimited club members. Awards are awarded at the end of year banquet.

The club also has monthly photographic field trips to locations of interest. This is a chance to go out and practice what we learned during programs, a time to socialize with other club members, and a chance to do a little photographic exploration.
