### Business Meeting May 5

The annual business meeting will be held on May 4. This is the least attended meeting in our calendar year but should be considered to be a very important one. The election of officers for 1999-2000 will be decided at this meeting. Other areas could be discussed such as dues, themes, rule changes, etc.

This is the time to bring up what you did not like about the club or something you especially liked.

---

### Club Events Competition May 12

The Club Events contest will be held on May 12th. In this event, club members enter photos and slides taken on field trips, table top night and other club events. This year, entrants can enter one black and white, one color print and one slide from any field trip they went on. There will be no class sizes and print sizes can be up to 16" X 20" for all entrants, regardless of usual class sizes in regular club events. Best of Show will win a free membership to the club for the 1999-2000 year.
