**Field Trip of August 26th:** Howard Penn, Jean Friday, Dick Fairhurst and Judy Atkins traveled to Christ Episcopal Church in Port Republic to photograph a Jousting Tournament.

**September Speakers:** In case you were unable to attend our meetings of our two speakers for September, here is a brief summary:

Our two speakers for the month of September were very interesting especially if you are interested in digital photography.

On the 6th, Richard and Ann Rohlfing gave a presentation comparing digital and chemical made pictures. They did this by having Mr. Rohlfing show his photos that were all made digitally while his wife did all hers chemically. There were many examples of their work and answered all questions. On the 20th, Mr. Rick Brady, a professional landscape photographer, presented many beautiful slides and pictures of his work. All his photos were digitally made. He used a Canon SLR but everything else was done on his computer. Naturally, many questions were asked and answered.

Mr. Brady had several door prizes of his work given out at the end of the program.
