For those who have never treated themselves to a trip to the Edward Carter Gallery in Lewes, Delaware, here is a great reason to plan an excursion. From April 14th to May 22nd, the gallery will host an exhibit entitled "Photographers of the Chesapeake," which shows how the natural beauty of the Bay area was captured and expressed by several renowned photographers native to the region. Artists featured in the show include A. Aubrey Bodine, Marion Warren, and H. Robins Holiday. The Edward Carter Gallery is located at 122 Market Street. For more information, call 302- 644-7573.

Field Trip, May 12: Thurmont is located near Frederick, Maryland and is at the foothills of the Catoctin Mountains. We will visit an 18th century iron furnace which made cannons and rifle parts during the Revolutionary War, 2 beautiful covered bridges (there are 3 in the area), and the creek and waterfall at Cunningham Falls Park. Expect woodland wildflowers and a great time. If interested, meet at Marshall's on Ritchie Highway at 7:00 AM.

Club Events Competition May 9th

The Club Events contest will be held on May 9th. In this event, club members enter photos and slides taken on field trips, [table top](#) night and other club sanctioned events. This year, entrants can enter one black and white, one color print and one slide from each field trip they participated in. There will be no class sizes and print sizes can be up to 16 X 20 for all entrants, regardless of usual class sizes in regular club events. Business Meeting May 2nd

The annual business meeting will be held on May 2nd. This is the least attended meeting in our calendar year but should be considered to be a very important one. The election of officers for 2001 - 2002 will be decided at this meeting. Other areas could be discussed such as dues, themes, rule changes, etc. This is the time to bring up what you did not like about the club or something you especially liked.
