 Sept 25 Color & Black/White Print Competition

**September 4th speaker** - Mr. John Horn, freelance photographer. His company is Wildcatnip Photography. He has been involved in photography for over 30 years and began learning the art from a sports photographer in Pennsylvania. Since that time he has had many opportunities to advance his skills with a number of Fine Art Photographers. He has been scanning images with high end scanners for over 4 years and started shooting digital about four years ago. He will share with us information on using the digital camera in the field.

*I wonder.....*

*.....where Howard Penn gets all that energy to arrive about a half hour or more before each meeting to post his signs and get the equipment in order for the meetings.*

*.....what would happen if Diana Listmann and her helper discontinued bringing coffee and goodies.*

*.....what the let down would be if the second meeting that occurs on the parking lot at the conclusion of regular one with its discussions on composition, lighting, digital cameras, JPEG, dpi, pixels, grayscale, resolution, twain etc. suddenly ceased to exist.*

*.....if there is a certain person pondering over the dubious chore of packaging a certain vanity case for our next Christmas party.*

*.....if anyone ever thought of producing a left-handed SLR camera for left-handed people.*

**Arundel Camera Club** meets every Wednesday evening when school is in session. We meet at 7:30 and usually end around 9:00 p m at Severna Park High School, 60 Robinson Road, Sevena Park in room G 144. Meetings are open to the public, but only dues paying members may enter competitions. Annual dues are \$15 per adult, \$7.50 per full-time student. If a second family member joins the club, the second member's dues are discounted 50% or \$7.50.

For further information, feel free to call any of the club's officers.
