Holiday Gaiety

So this being a short month for the club, this will be a short but sweet newsletter. This month was jam packed with contests and no time for any [speakers](#). This month's theme - Abstract. Lot's of fun was had with this subject and Dick Bond was a great judge as always. Personally I think you've done your job when someone asks you "What is that?".

It's that time of the year again, and The Swansons are going to host the Arundel Camera Club's Christmas party. Make sure to bring something good to eat and show off what a good cook you are, or at least that your significant other is a good cook. Don't forget there are only 5 more shopping days left if you want to participate in the gift grab game. And if you want something a little more spicier than soda you'll have to bring that too. The fun starts at 7:30 PM. So make your list, and check it twice.....hope to see you there.

Happy Holidays
