Well the 2010-2011 club year has started off great. For our first program of the year, we started with a show and tell where club members shared their summer photographs. For our second program, we had a great presentation on food photography from Steve Buchanan. See the final shot for the program below. Our attendance has been up and we have had two great competition nights with many great photographs to challenge our judges with. We even held our first field trip of the year to the National Zoo.

Transportation:

Michelle has access to a large van/small bus but needs a head count if we want to travel this way. Anyone that wants to travel with the club via bus should send an email to field-trips@arundelcameraclub.org no later than this coming Friday, October 1st.

Lodging:

Dolphy has reserved five rooms at the Days Inn in Waynesboro. If you want a room, you need to call and reserve it by Monday, October 4th. The hotel phone number is (540) 943-1101 and the confirmation number that you need to give them is #531263822. There probably won't be a problem with rooms, but waiting until the week before is probably a bad idea as it will be prime season for fall colors down there.

Kinder Park Workshop

On October 16 the club will host a Basic Photography workshop at the Kinder Farm Park, an Anne Arundel County park in Severna Park.

This would be a basic photography workshop. It would cover basic camera settings, tips/rules/guidelines for composition and creativity, and a couple of mentor-led exercises where we go out into the park and practice what was taught by shooting and getting feedback. We would hold the workshop in one of the pavilions available at the park. They can seat up to 100 people, are covered, and have electricity.

The workshop will be 1/2 day in duration (4 or 5 hours) and cost \$15 per participant.

We are hoping that this could be a great recruiting tool for the club and also be of great value to our new members who find their camera confusing and intimidating.

Send an email to president@arundelcameraclub.org to sign up or volunteer.

The results for
the September
competitions
will be
published in
the October
newsletter.

Meeting Nights

The Arundel Camera Club meets every Wednesday evening at the Severna Park High School when school is in session, weather permitting.

We meet at 7:30 pm and usually end around 9:00 pm. Meetings are open to the public, but only dues paying members may enter competitions.

Meetings alternate with programs of informative speakers (educational, technical, etc.) and photographic competitions (slide, print, and digital on alternating weeks). The club also has monthly (and occasionally more often) photographic field trips to locations of interest.
