A black and white photograph of a stone archway. The arch is made of large, rectangular stone blocks and has a decorative, carved pattern along its inner edge. Through the arch, a person is walking away from the camera towards a set of stone stairs. A small dog is walking alongside the person. The scene is framed by a green border.

Welcome to 2012-2013

Welcome to the Arundel Camera Club 2012-2013 club year. We have had a great start. We have already had summer field trips to the Tuckahoe Steam and Gas Annual Show and to the Bealton Flying Circus. Jackie Colestock hosted a great summer picnic despite a little rain.

We had a great first competition. Our judge Eric Hagemann did a great job sorting through well over 100 images, we had 47 in novice digital alone, providing feedback and selecting his favorites.

We have a busy September. Remember that we are not meeting next week September 26th. School is closed for Yon Kipper. We have a field trip to Gettysburg on Saturday September 29th led by Reb Orrell. We will be hanging an exhibit in the North County Library on Sunday September 30th at 1:00 PM.

North County Library Exhibit

On Sunday September 30th at 1:00 PM we will be hanging the exhibit at the North County Library. The address for the North County library's is 1010 Eastway, Glen Burnie, MD 21060. The exhibit will hang until November 11th. We will meet around 1:00 PM when the library opens to start hanging the exhibit.

Each member can bring around three or four images matted and framed with a wire on the back ready for hanging. We will also need nails and a couple of hammers and ladders.

On November 11th we will meet at 1:00 PM to take down the exhibit. If you have artwork in the exhibit, please come and help. This is really too many images for a couple of people to take home and then haul to a meeting.

September Field Trip - Gettysburg

Gettysburg Field Trip

Reb Orrell will lead the club field trip to Gettysburg on Saturday September 29th. We will meet at the Benfield Boulevard and Veteran's Highway carpool location at noon.

It's about a two hour drive to Gettysburg. For anyone that would like to car pool, we will be meeting at 7:00 AM at the park and ride next to the Severna Park Racquetball club off of Veterans Highway near Benfield Boulevard. Click on map below for directions to park and ride.

We'll go to some of the best photo spots (VA Memorial, PA Memorial, High Tide of the Confederacy, McPherson's Barn) then grab some pizza about 5 pm.

Our sunset location is "Little Round Top" overlooking Devil's Den. Sunset occurs at 6:46pm with civil twilight ending at 7:12pm. We'll be home by 9:30.

If you would like to go Saturday, please send an email to webmaster@arundelcameraclub.org so that we can coordinate car pooling or meeting in Gettysburg.

Club Information

Meeting Nights

The Arundel Camera Club meets every Wednesday evening when school is in session and weather permitting. We only meet if the School is open. Check for school closings at the following link <http://www.aacps.org/>.

We meet at 7:30 p.m. and usually end before 10:00 p.m. Meetings are open to the public, but only dues paying members may enter competitions.

Meetings alternate with programs of informative speakers and photographic competitions. The purpose of programs are to bring in highly talented photographers to show us how to improve our photography.

Competitions give us a chance to show off our work and to get constructive critiques from our judges. Ribbons are awarded for first through fourth place and honorable mention. We have competitions for slides, color prints, monochrome prints, and digital images. Competitions are held for both novice and unlimited club members. Awards are awarded at the end of year banquet.

The club also has monthly photographic field trips to locations of interest. This is a chance to go out and practice what we learned during programs, a time to socialize with other club members, and a chance to do a little photographic exploration.
