Announcements

February Field Trip

On February 23 the club will be going to [Bombay Hook](#) & [Prime Hook](#). These two National Wildlife Refuges are in Delaware and are a great place to see wildlife. Although a telephoto lens is nice the last time the club went we encountered foxes right on the road. We have also seen bald eagles, herons, a variety of ducks and geese, egrets, turtles, and snakes.

Dolphy and Dick will meet anyone who wants to go at O dark thirty. We will meet at the Park & Ride across from the Rite Aide on Rt. 2 @ 5 AM. See map to right. Click on map to go to google maps for directions.

We will get to Bombay Hook as close to sunrise as possible. We will shoot there and then head to Prime Hook. After that we'll stop for lunch and head home.

For anyone not car pooling, we will meet you at Bombay Hook at sunrise. The entrance fee for Bombay Hook is \$4.00 per car.

Email Dolphy Glendinning at field-trips@arundelcameraclub.org to let her know if you are going and if you are going to car pool or will meet them at Bombay Hook.

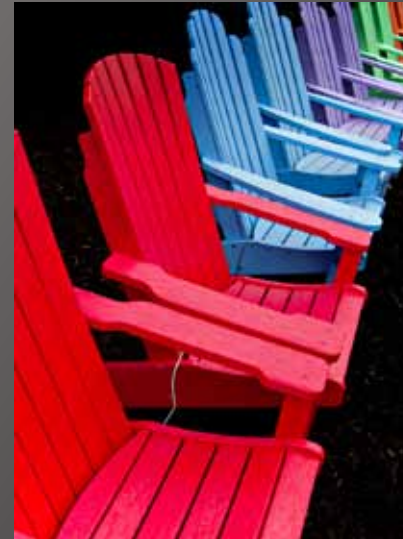

Upcoming Programs

We have finalized the programs for the rest of the club year. We have a program from one of our professional photographer club members this week on the "Business of Professional Photography." In March club member Elizabeth Gauld will give a talk on Selective Toning and Chip Bulgin will give a talk on Lightroom 4. In April longtime ACC friend Mike Kellogg will give a talk on "How He Chooses Which Photos to Print" and Zoltan Levay from the Bowie Crofton Camera Club will give a program titled "A Tour through the Universe with the Hubble Space Telescope". In May we will have our business meeting to elect officers and select themes for next year and we will have our end of year banquet.

Club Information

Meeting Nights

The Arundel Camera Club meets every Wednesday evening when school is in session and weather permitting. We only meet if the School is open. Check for school closings at the following link <http://www.aacps.org/>.

We meet at 7:30 p.m. and usually end before 10:00 p.m. Meetings are open to the public, but only dues paying members may enter competitions.

Meetings alternate with programs of informative speakers and photographic competitions. The purpose of programs are to bring in highly talented photographers to show us how to improve our photography.

Competitions give us a chance to show off our work and to get constructive critiques from our judges. Ribbons are awarded for first through fourth place and honorable mention. We have competitions for slides, color prints, monochrome prints, and digital images. Competitions are held for both novice and unlimited club members. Awards are awarded at the end of year banquet.

The club also has monthly photographic field trips to locations of interest. This is a chance to go out and practice what we learned during programs, a time to socialize with other club members, and a chance to do a little photographic exploration.
