October Schedule

The officers are working hard to finalize our schedule for the year. Greg and Cathy Hockel are coordinating programs, Bob and Susan Webber are fleshing out the details for our field trips. Chris Van Valkenburgh has been rounding up judges.

October 5: Program: Composition – “Scapes” - In preparation of our contest this month, we are looking for a speaker to give a presentation on landscape, seascape, and cityscape photography.

October 12: Photo walk: Fells Point/Canton (School Closed – Yom Kippur) - Since school will be closed for Yom Kippur, we are tentatively planning a photo walk in Fells Point/Canton area of Baltimore.

October 19: Contest: Digital/ Color & Monochrome Prints – “*scapes” - All of our contests including digital, color prints, and monochrome prints will be held tonight. The category is “*scapes.” See page six for a description of this theme. Club members may submit up to three monochrome prints, three color prints, and three digital images. The rules and guidelines for preparing your images are available at the club's website, www.arundelcameraclub.org. Competition is open only for members, but the meeting is open to the public.

October 22: Field Trip: Eastern State Penitentiary - The October field trip will be to Eastern State Penitentiary in Philadelphia. See the page five for details.

October 26: Program: Urban Exploration – “Decay” - In preparation of the December contest, we are looking for a photographer to give a presentation on urban exploration.

Field Trips

We are still working on field trips for the year but we have a few planned already. If you have anymore suggestions, please send an email to Bob Webber our field trip chairman at fieldtrips@arundelcameraclub.org.

Photo Walks

During the past couple of years, in place of several meetings, we have gone on photo walks. We have been to Baltimore and to Annapolis. These events were popular and provided an opportunity to practice and learn. Send your suggestions in for places to go photo walk this year. Please send them an email at programs@arundelcameraclub.org.

Programs

You will notice most of the program nights have been tentatively filled in but we are still looking for speakers or club members to lead these programs. The Hockels will be working hard to find great programs and speakers. We are planning to have more table top nights and a portrait/lighting night as well as photo walks. If you would like to volunteer to give a program or have any program suggestions, please send them an email at programs@arundelcameraclub.org.

Contest Judges

Chris Van Valkenburgh, as of right now, has found judging for all of the 2016 contests and is working on 2017. Chris said “The first person to complain about ‘my judge’ not doing a good job gets to do this job next year.” Chris is trying not to reuse any judges from the past two years. If you have any suggestions email contests@arundelcameraclub.org.

October Field Trip - Eastern State Penitentiary

The October field trip will be to Eastern State Penitentiary in Philadelphia. According to their [website](#) "Eastern State Penitentiary was once the most famous and expensive prison in the world, but stands today in ruin, a haunting world of crumbling cell blocks and empty guard towers."

Admissions is \$14 for adults and \$12 for seniors. Reservations are strongly recommended. Tickets can be reserved online, by phone (215) 236-3300, or purchased at the door, subject to availability. You can use the code "CTM16" to get \$2 off when you purchase your tickets online. Photographers using a tripod must purchase a seasonal equipment pass for an additional fee of \$10.

Eastern State Penitentiary is located at 2027 Fairmount Avenue, Philadelphia, PA 19130. Their hours are from 10pm until 5pm. The drive is a little over two hours. For anyone that would like to car pool, we should probably meet at 7:30am at the park and ride next to the Severna Park Racquetball club off of Veterans Highway near Benfield Boulevard.

Email Bob Webber at field-trips@arundelcameraclub.org to let him know if you are going and are going to car pool. For anyone not car pooling, we will meet you there at 10:00am.

2016-2017 Themes

Humor/Whimsical - This theme will be challenging. You must take photos that evoke a sense of humor or whimsy, both of which are very subjective. Humor is defined as the quality of being amusing or comic, especially as expressed in literature or speech. Whimsical is defined as playfully quaint or fanciful, especially in an appealing and amusing way. Whimsical can also be defined as acting or behaving in a capricious manner. Click here for examples of [Humorous Photographs](#) and [Whimsical Photographs](#). Take them for what they are worth but remember the final interpretation will be by the judge.

From the Kitchen (not food) - We all have a kitchen. This theme can be basically any photo taken in a kitchen or a photo of anything that can be found in a kitchen. For example people cooking or washing dishes or seated around the kitchen table enjoying a meal. Although the image may include food, it should complement the scene and not be the primary subject of the photograph. [Click here for examples](#).

***Scapes** - Photographs of land, water, groups of buildings, clouds or a combination of these. The image should not be a close up. An image of a single tree or flower is not a landscape but a photograph of a forest or field of flowers is. A landscape photograph may include people, man made objects and wildlife but these should complement the scene and not be the primary subject of the photograph. Also includes cityscapes and seascapes. Click here for examples of [Landscapes](#), [Cityscapes](#), and [Seascapes](#).

Decay - Decay can be defined as to decline from a sound or prosperous condition, to fall into ruin, or to decline in health, strength, or vigor. Your challenge is to create images that document or convey the sense of decay. [Click here to find examples of images of decay here](#).

Club Information

Meeting Nights

The Arundel Camera Club meets every Wednesday evening when school is in session and weather permitting. We only meet if the School is open. Check for school closings at the following link <http://www.aacps.org/>.

We meet at 7:30 p.m. and usually end before 9:30 p.m. Meetings are open to the public, but only dues paying members may enter competitions.

Meetings alternate with programs of informative speakers and photographic competitions. The purpose of programs are to bring in highly talented photographers to show us how to improve our photography.

Competitions give us a chance to show off our work and to get constructive critiques from our judges. Ribbons are awarded for first through fourth place and honorable mention. We have competitions for slides, color prints, monochrome prints, and digital images. Competitions are held for both novice and unlimited club members. Awards are awarded at the end of year banquet.

The club also has monthly photographic field trips to locations of interest. This is a chance to go out and practice what we learned during programs, a time to socialize with other club members, and a chance to do a little photographic exploration.

Membership Rates

Students.....	\$17.50
Individual	\$35.00
Family	\$15.00 each additional family member

Directions

We meet in room 114 at the Severna Park High School which is located at 60 Robinson Road, Severna Park, MD 21146-2899. The best place to park is in front of the school. We have to enter and leave by the front doors. We must put the room back the way we found it and vacate the building by 9:30 PM.
