Janet Little Jeffers is a Baltimore, Maryland-based artist specializing in digital photography. After working in the fields of graphic design, interior design, and broadcasting, she committed to a full-time career as a visual artist in 2009. Her work explores intimate and abstract details in the natural and manmade worlds, and she thrives on exploration, whether in her hometown or a remote destination. Some of her recent projects include bodies of work from Cuba and the polar regions of Greenland and Antarctica. She currently works from a studio in Baltimore's historic Bromo Seltzer Arts Tower.

Club Information

Meeting Nights

The Arundel Camera Club meets every Wednesday evening when school is in session and weather permitting. We only meet if the School is open. Check for school closings at the following link <http://www.aacps.org/>.

We meet at 7:00 p.m. and usually end before 9:00 p.m. The school doors are locked. We man the doors until 7:00 p.m.. It is important to be there by then to gain entrance to the school. Meetings are open to the public, but only dues paying members may enter competitions.

Meetings alternate with programs of informative speakers and photographic competitions. Competitions give us a chance to show off our work and to get constructive critiques from our judges. Ribbons are awarded for first through fourth place and honorable mention. We have competitions for slides, color prints, monochrome prints, and digital images. Competitions are held for both novice and unlimited club members. Awards are awarded at the end of year banquet.

The club also has monthly photographic field trips to locations of interest. This is a chance to go out and practice what we learned during programs, a time to socialize with other club members, and a chance to do a little photographic exploration.

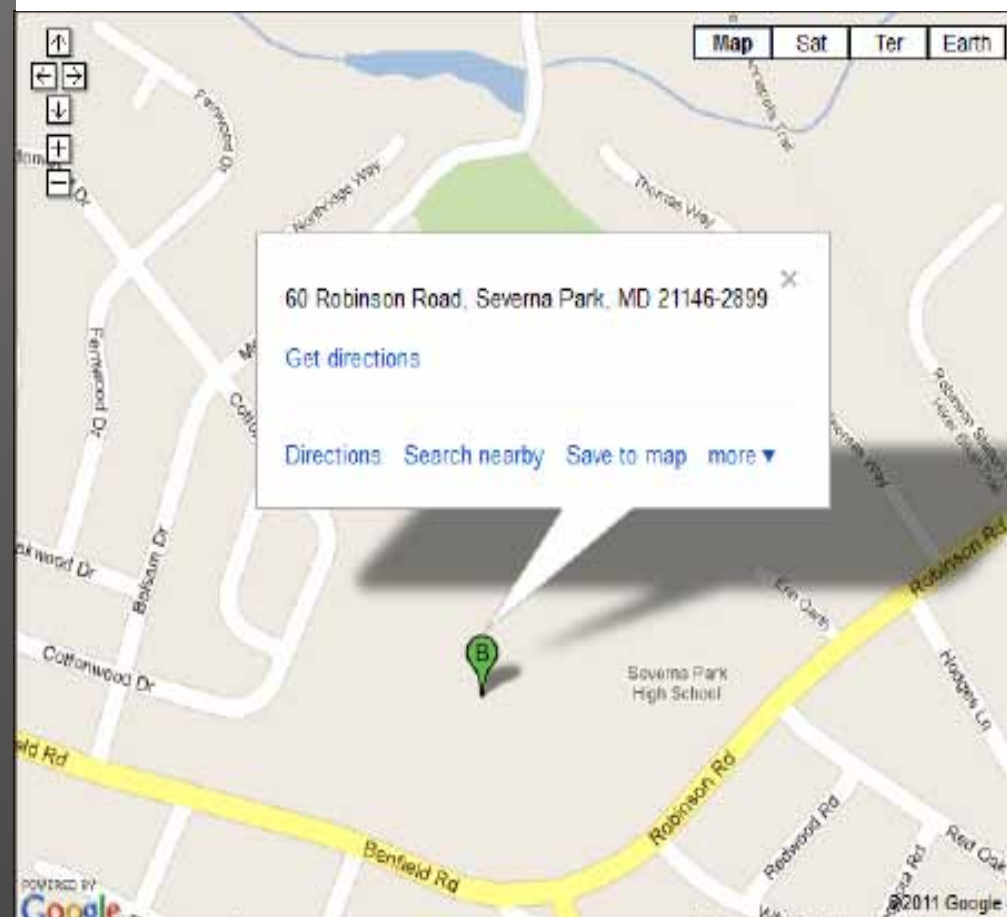

Membership Rates

Individual \$35.00

Family \$15.00 each additional family member

Directions

We meet at the Severna Park High School which is located at 60 Robinson Road, Severna Park, MD 21146-2899. We are now meeting in the new building in room 166 on the first floor. You can park in the teacher's lot on the left of the school and come in the side door. We must put the room back the way we found it and vacate the building by 9:00 PM.
