# Schedule Changes

Due to the coronavirus, schools have been closed. Our face-to-face meetings have been canceled at the Severna Park High School March 18, March 25, and April 8.

John Milleker, Jr. is going to try and host the March 18 digital contest online via Facebook.

Our speakers have cancelled for March 28 and April 8. Depending on how the online digital contest goes, we may attempt to host virtual meetings and programs on those dates.

We have swapped the print and digital contests for April. So the digital contests will be held on April 1st. If needed we will do this virtually. We will hold our print contests on April 15th. Hopefully the cononavirus restrictions will be lifted by April 15.

The Patuxent Research Refuge has postponed all events through the end of March including the Spring Wildlife Festival. So our field trip has to be cancelled. The grounds and buildings will remain open to visitors during our normal public hours. Use your best judgement.

Also stay tuned for our April 16 fundraising dinner at Brian Baru's. This may have to be rescheduled for a later date.

Since the county libraries have cancelled external activities, we have moved our May 2nd End of Year Contests to Michelle Barkdoll's home. If needed we can hold the End of Year contests virtually using digital copies of the winning prints.

## Thank You

A special thanks goes out to Lynn Silverman and to Roz Kleffman for judging our February competitions and to John Milleker, Jr. for giving a program on workflow.

**Lynn Silverman** received her BFA from Pratt Institute in Brooklyn, New York, and her MA in Fine Art from Goldsmiths' College in London, England. She has participated in many solo and group exhibitions in Europe, Australia, and the United States. In addition to publishing four books, her work may be found in public and private collections in Australia, Great Britain, and the US. In 2010, she was awarded a Fulbright Scholarship to the Czech Republic. She currently teaches at the Maryland Institute College of Art in Baltimore. You can find more info at <https://lynnsilverman.com/>

**Roz Kleffman** is a member of the Bowie-Crofton Camera Club. In fact she has served in every position in the club including as the president for as long as I can remember. She is currently the contest chairman. She has judged for many photography contests for local clubs.

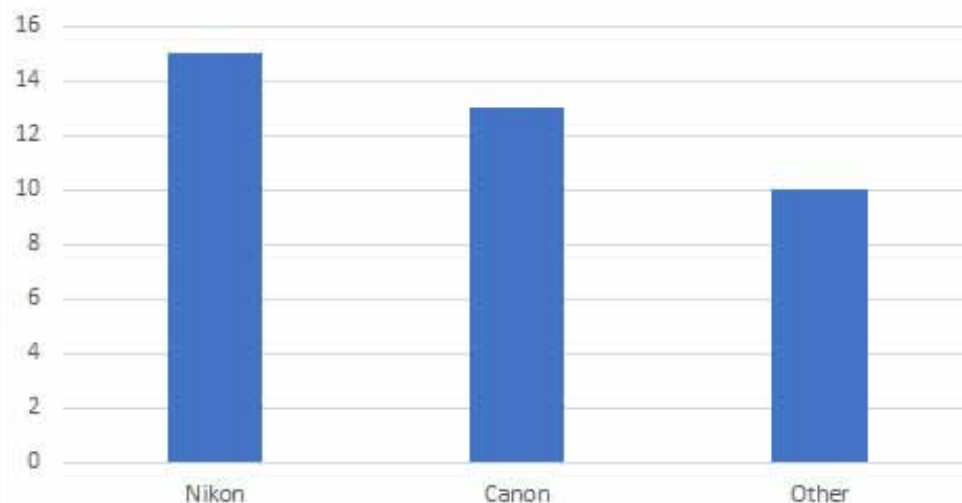

**John Milleker, Jr.** is a long time club member and one of our club's few professional photographers. He has many talents from modern digital to historical chemical and darkroom photography. He is the club's current program co-chairs. You can find more information on his website <https://www.johnmilleker.com/>

These individuals have been gracious enough to come judge and/or give programs to the ACC. Without them, we couldn't have a club.

## CORONAVIRUS Notice

The official position of the club is to discourage meeting physically (face-to-face). We are trying to strike a balance between over-reacting to fear of the unknown and under-reacting to the seriousness of the threat. At this time we think it prudent to not meet in person as a club for at least a couple of weeks. We will reevaluate weekly.

# Club Information

## Meeting Nights

The Arundel Camera Club meets every Wednesday evening when school is in session and weather permitting. We only meet if the School is open. Check for school closings at the following link <http://www.aacps.org/>.

We meet at 7:00 p.m. and usually end before 9:00 p.m. The school doors are locked. We man the doors until 7:00 p.m.. It is important to be there by then to gain entrance to the school. Meetings are open to the public, but only dues paying members may enter competitions.

Meetings alternate with programs of informative speakers and photographic competitions. Competitions give us a chance to show off our work and to get constructive critiques from our judges. Ribbons are awarded for first through fourth place and honorable mention. We have competitions for slides, color prints, monochrome prints, and digital images. Competitions are held for both novice and unlimited club members. Awards are awarded at the end of year banquet.

The club also has monthly photographic field trips to locations of interest. This is a chance to go out and practice what we learned during programs, a time to socialize with other club members, and a chance to do a little photographic exploration.

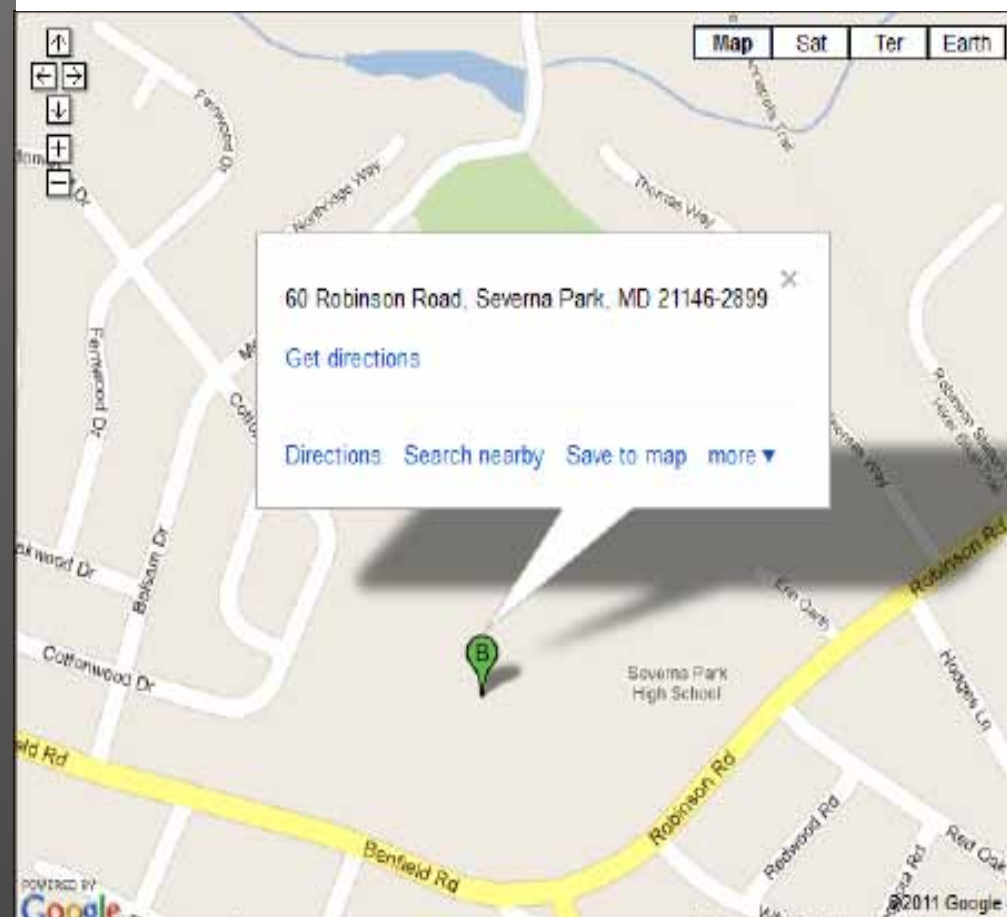

## Membership Rates

Individual . . . . . \$35.00

Family . . . . . \$15.00 each additional family member

## Directions

We meet at the Severna Park High School which is located at 60 Robinson Road, Severna Park, MD 21146-2899. We are now meeting in the new building in room 166 on the first floor. You can park in the teacher's lot on the left of the school and come in the side door. We must put the room back the way we found it and vacate the building by 9:00 PM.
