# March Photo Talk - Abstract Review

Arundel Camera Club

March 3

7:00 pm

March Photo Share:

Ok, so How did you do that abstract?

February's Abstract competition included a lot of head-scratchers! We saw some of the best photography we've ever seen in Arundel Camera Club competitions, but we often couldn't figure out how you did that.

Now, we'd like to learn from you and share our own ideas. Be sure to be there!

During the abstract digital contest this month, did you find yourself saying

"Wow that is cool!"

"What is that?"

"I never thought of that."

"I could do that!"

"I've got to give that a try."

"How did they do that?"

The Photo Talk will focus on the abstracts from the digital contest this month.

This is an opportunity for the photographers to describe how they created their abstract images, what they were, what they were trying to accomplish, their techniques.

We will make sure all participants have an opportunity to discuss at least one, hopefully more, of their images. We will discuss as many photographs as time permits.

All club members are encouraged to join the roundtable. Those who just want to observe can watch the program as usual via Facebook Live.

Participants will receive connection information before next Thursday's meeting.

New speaker for March 31. Quinn Jacobson will be giving a talk on his new project using Collodio-Albumen Negatives and Gum Over Palladium Prints.

Quinn Jacobson is an internationally recognized artist and educator. He was instrumental in reviving the Wet Plate Collodion process in Europe (2006-2011). He has an M.F.A. in historic photographic processes specializing in the wet plate collodion process. He's published four books on the process. As of 2022, he is working on a new project using the Collodio-Albumen Dry Plate process and Gum Over Palladium printing. The work is about the Ute

Indians that once inhabited the land where he now lives. Quinn lives in the Rocky Mountains of Colorado with his wife, Jeanne, and his cat, Moshe. He works as a full-time artist and part-time educator in historic photographic processes.

# Field Trip - Cherry Blossom Festival

Please join the Arundel Camera Club field trip, March 26 2022, to the Cherry Blossom Festival, Tidal Basin, Washington, DC.

The 2022 Festival is the 110th anniversary of the gift of trees from the Mayor of Tokyo to Washington, DC. Plan to walk around the tidal basin and enjoy the cherry blossoms.

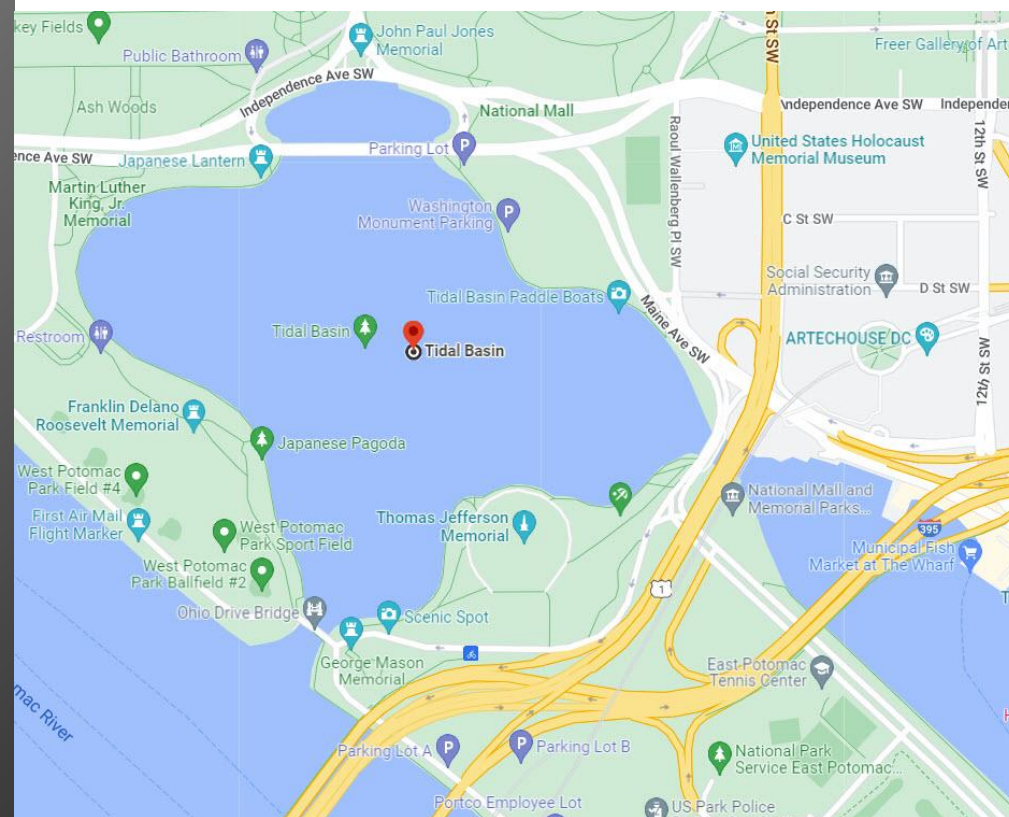

To see all events of the festival, please visit:

<https://nationalcherryblossomfestival.org/>

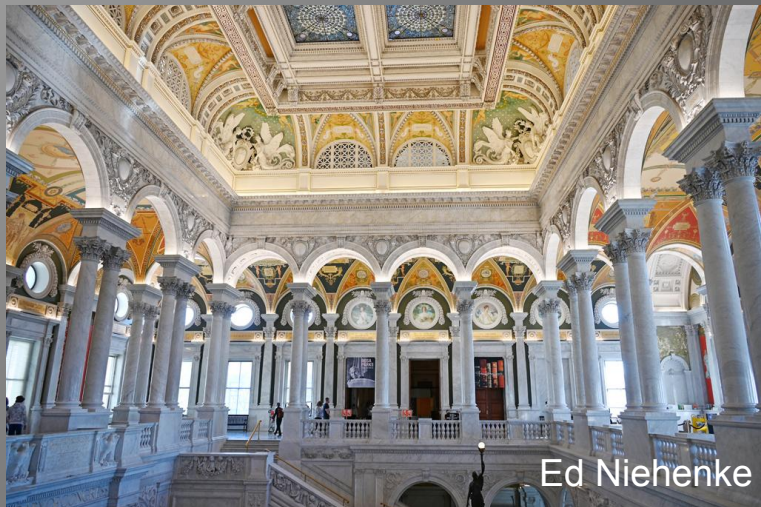

Along the route visit the Jefferson Memorial, Japanese Pagoda, Roosevelt and King Memorials. Rent a paddle boat and explore by water. Bring a kite and fly it on the Washington Monument grounds.

if you are going, please send an email to [fieldtrips@arundelcameraclub.org](mailto:fieldtrips@arundelcameraclub.org).

# Social Media/Distancing

## Web Site

The club website can be found at <https://arundelcameracub.org/>. On the website you can find the club calendar and newsletters as well as other information like our constitution and by-laws.

## Mailing List

The club has a mailing list where we send out information to club members including information about calendar changes, contests, publishing newsletters, etc. To be added to the mailing list send an email to [webmaster@arundelcameracub.org](mailto:webmaster@arundelcameracub.org). You can remove yourself from the mailing list at any time.

## Newsletters

You can find our newsletters on our website. The newsletter has information on contest results and field trips as well as upcoming events and member accomplishments. You can find the archive of club newsletters at <https://arundelcameracub.org/newsletter/>.

## FaceBook

The club has a FaceBook Group which we are relying on during the COVID-19 restrictions. You can find the group here <http://facebook.arundelcameracub.org/>. If you are not a member, you can request to join the group. It is a public group. Anyone on FaceBook can see our posts but only members can make posts. All of our virtual meetings have been broadcast via FaceBook.

## YouTube

Videos of all of our virtual meetings and contests have been posted to YouTube. If you do not want to join FaceBook or missed one of our online meetings, you can see recordings here. You can find them here <http://youtube.arundelcameracub.org/>.

## Instagram

David Joyner has volunteered to create a club Instagram account for us to experiment with. You can find it at <http://instagram.arundelcameracub.org/>.

# Club Information

## Meeting Nights

Due to COVID-19 we will be broadcasting our live meetings to FaceBook every Thursday evening from 7:00 PM until 9:00 PM.

Meetings are open to the public, but only dues paying members may enter competitions and participate in critiques. Meetings alternate between programs of informative speakers, photographic assignments, and photographic competitions. Competitions give us a chance to show off our work and to get constructive critiques from our judges. Ribbons are awarded for first through fourth place and honorable mention. Normally we have competitions for color prints, monochrome prints, and digital images. Currently we are only holding digital competitions. Competitions are held for both novice and unlimited club members. Awards are awarded at the end of year banquet. The club also has monthly photographic field trips to locations of interest. This is a chance to go out and practice what we learned during programs, a time to socialize with other club members, and a chance to do a little photographic exploration.

## Membership Rates

Individual . . . . . \$40.00  
Family . . . . . \$20.00 each additional family member
